Thank you for taking the time to join us for the new the Market at Graycliff Drive-Thru!

The drive-thru market is a safe way to support some of your favorite Market at Graycliff vendors each Friday, from 4pm to 7pm, now through June 12th! The following pages list this week’s vendors, their contact information, and their items for pre-order.

Pre-orders and payment are placed directly with the vendors themselves, for pick up at the following Friday at the market. Please note that each vendor has a different way to order and deadline located at the top of their menu.

When you arrive at Graycliff, please stay in your car and follow along the circle drive. Vendors will be arranged in the order of this menu on the driver’s side. Please pull up to each vendor you pre-ordered with, give them your pre-order number or last name, and they will load your order into your trunk or back seat. It’s that simple and safe!

For everyone’s safety, please note, all orders are pre-order only, and no purchases will be made on-site the day of the market. Additionally, only vehicles will be admitted to the property to pick up pre-orders to maintain social distancing, you may not walk or bike onto the property to pick up your orders for safety.

While we are supporting our community & market vendors during this difficult time, we are also facing a unique hardship of our own without the ability to give tours or sell merchandise at the market from our shop currently. However, here are several ways to support us:

♦ Donate to help support Graycliff and the Market at Graycliff [here].
♦ Pre-purchase Standard, Standard+, or Extended tour tickets at a discounted rate, for a future tour. Tickets are good for 18 months & can be found [here].
♦ Shop our store online at [ShopGraycliff.org]. Use code FREESHIP to get free shipping on your order, or CURBSIDE to pick up at the market!
♦ Consider becoming a member of the conservancy. New memberships will be good through August of 2021! More information can be found [here].
♦ Post about the Market at Graycliff Drive-Thru and Graycliff on social media! Don’t forget to tag us @flwgraycliff!

Thank you for your support!
